

PLAN RUTHERFORD

Rutherford County needs your help to ensure we grow in a way that enhances the county's character and establishes a shared vision for our community.

What is PLAN RUTHERFORD?

PLAN RUTHERFORD is a county-wide initiative to engage residents and businesses in defining a vision for the county's future.

This process will:

- + Establish a shared vision for the community
- + Evaluate growth and development trends to gauge impacts on open space, the natural environment, transportation and infrastructure, housing needs, economic opportunities, and other important issues
- + Develop strategies to manage growth and update county policies for land use, development standards, and infrastructure investment to meet the needs of residents and businesses

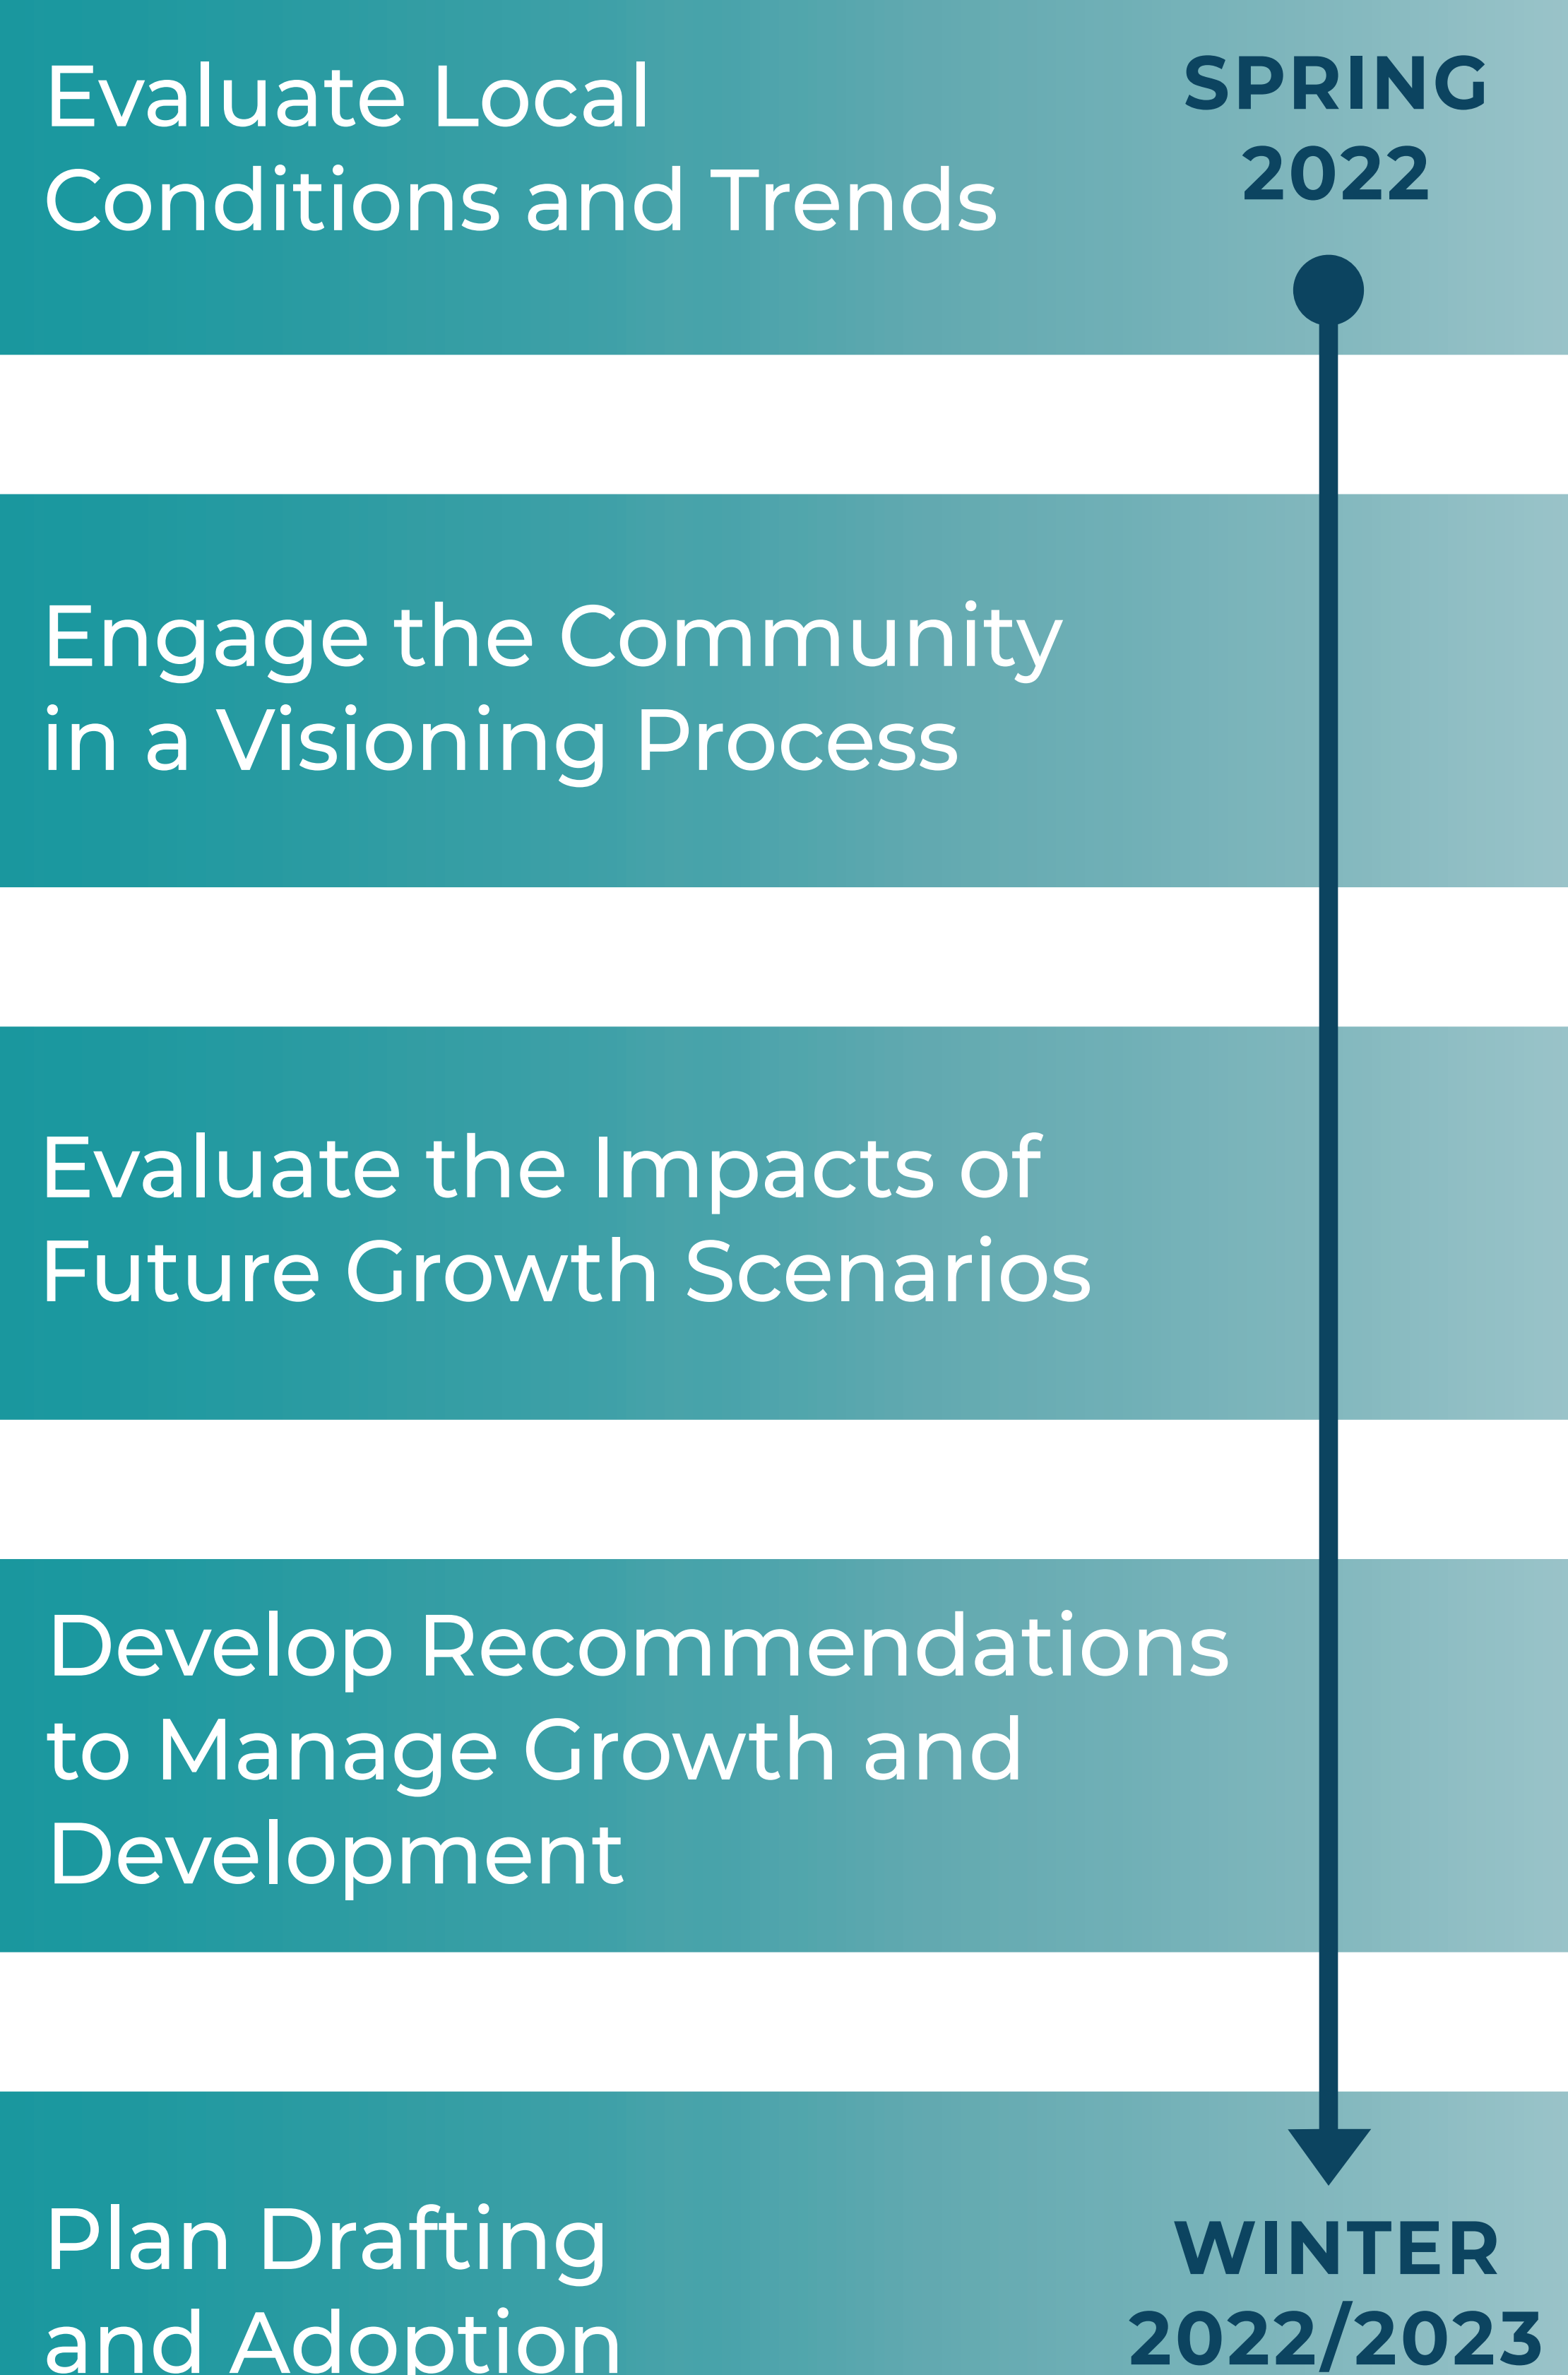

What is a Comprehensive Plan?

A Comprehensive Plan is a guiding document that public agencies, residents, employers, developers, and other stakeholders can use to ensure that Rutherford County grows according to a shared vision.

How to Participate

- + Attend meetings and workshops
- + Become informed on local growth trends and forecasts
- + Participate in surveys and community conversations
- + Arrange a presentation with your civic group

How long will it take?

Rutherford County Government is working in partnership with local municipalities, non-profit organizations, business associations, and neighborhood groups to carry out PLAN RUTHERFORD. The success of this plan depends on your participation. YOU are part of the team so please share your ideas and spread the word!

Share your vision for Rutherford County!
